

Voting Process simplified.

[Register for voting before 06th of March 2021]

Step 1:

For Daedalus users: Update your main-net Daedalus wallet to the latest version 3.3.0. (The latest version will be automatically downloaded when you run the app, and it will request your permission to install).

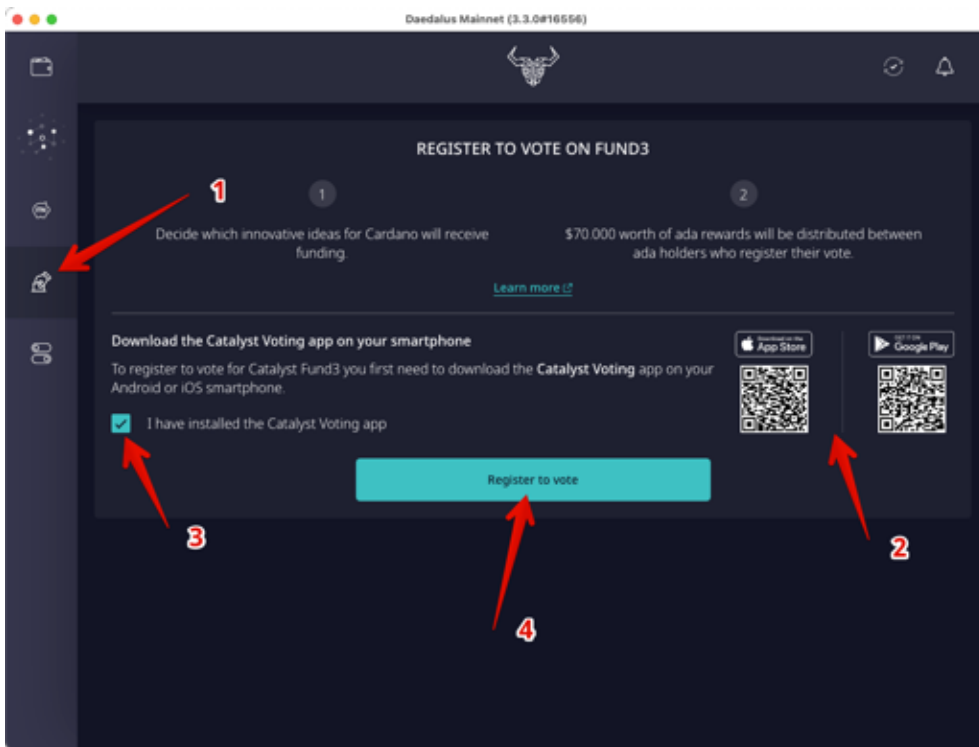

For Yoroi Users: Currently only Yoroi web browsers-based wallet is supported. If you had a mobile Yoroi, simply download the web-browser extension from <https://yoroi-wallet.com> and restore your wallet using the same seed phrase that you have used on your mobile.

Step2:

For Daedalus users:

Follow the steps below to register for voting (you are required to download the Catalyst mobile voting app, use the QR code within the wallet. Do not use any other apps).

For Yoroi Users:

Follow the steps below to register for voting.
